5410. PROMOTION AND RETENTION

The Board of Education recognizes that each child develops and grows in a unique pattern and that pupils should be placed in the educational setting most appropriate to their social, physical, and educational needs. Each pupil enrolled in this district shall be moved forward in a continuous program of learning in harmony with his/her own development.

Standards for pupil promotion shall be related to the New Jersey Core Curriculum Content Standards and district goals and objectives and to the accomplishments of pupils. A pupil in grades PreK through seven will be promoted to the next succeeding grade level when he/she has completed the course requirements at the presently assigned grade; has achieved the instructional objectives set for the present grade; has demonstrated the proficiencies required for movement into the educational program of the next grade; and has demonstrated the degree of social, emotional, and physical maturation necessary for a successful learning experience in the next grade.

Promotion policies and procedures will be provided to parent(s) or legal guardian(s) as appropriate. Parent(s) or legal guardian(s) and pupils shall be regularly informed during the school year of the pupil's progress toward meeting promotion standards. A teacher who determines that a pupil's progress may not be sufficient to meet promotion standards shall notify the parent(s) or legal guardian(s) and the pupil and offer immediate consultation to the pupil's parent(s) or legal guardian(s). Every effort shall be made to remediate a pupil's deficiencies before retention is recommended. The parent(s) or legal guardian(s) and, where appropriate, the pupil shall be notified of the possibility of the pupil's retention at grade level in advance and, whenever feasible, no later than eight weeks prior to the end of the school year.

The requirements for promotion of a disabled pupil in grades PreK through seven shall be set forth in the pupil's individualized education program. Completion of those specialized requirements shall qualify the pupil for promotion.
