9125 SCHOOL DISTRICT CABLE TELEVISION CHANNEL

The Board of Education has access to a cable television channel through the local cable television provider that is operated by the Township of Haddon and a television studio that is funded, maintained, and operated by the Board of Education. All licenses and permits required for the television channel/studio are in the name of the Township of Haddon. The Board shall establish and approve guidelines for programming that are broadcast using the television studio and/or broadcast on the cable television channel.

Educational Programming from School District or other School District Sources Only

It is the goal of the Board of Education to provide school district developed or other educational programming that is determined to be of interest in the community. In addition, the school district will provide educational programming from various other sources that permit such broadcasting. All programs to be broadcast shall be approved by the Superintendent or designee.

The channel will not broadcast a program that endorses a candidate for public office, a political party, a public question election issue, and/or a referendum issue.

Live Programs

The school district's cable television channel will not broadcast any live programs.

The school district reserves the right to edit any school district developed programs or block portions of programs from other sources for all programs broadcast on the school district cable television channel.

Adopted: March 17, 2011
