| What are your plans after high school? If going to college, what college (if you know) and what do you want to study there? | I'm attending Temple University in the fall and studying biology. I plan on going to grad school and doing cancer research. |
| What is your favorite school subject? Why? | My favorite school subject is science! I've been interested in all fields of science since I was very young and I'm pursuing a career in it. |
| Who is/was your favorite teacher (could be any teacher, all the way back to grade school even) and why? | My favorite teacher is Mr. Tomashek. I've had him for my last three years of high school and he has made such a positive impact on the way I view life and society as a whole. I will forever remember his classes and the advice he has given me. His stories are also the best! |
| What is your favorite food? | Scallion pancake/Chinese pizza. If you haven't tried it, TRY IT |
| Where do you see yourself in 10 years? | I see myself making discoveries in medical research and saving many lives. |
| Parting words - advice for those you leave behind as you spread your wings and move to life beyond HTHS. | The world beyond Haddon Township is huge and full of adventure. Although our town is great, go experience the world and all it has to offer! |
