What are you most proud of thus far in your life?	Staying true to myself and being kind.
What are your plans after high school? If going to college, what college (if you know) and what do you want to study there?	I am going to Ithaca College to major in Occupational Therapy and play on the field hockey team.
What is your favorite school subject? Why?	I love science because I think it's really fascinating how our bodies, nature, and the world function.
Who is/was your favorite teacher (could be any teacher, all the way back to grade school even) and why?	I can't pick just one! My favorite teachers were probably Ms. Russell, Mr. Dale, Sra. Leon, and Derm. Ms. Russell really helped me find my passion for science and especially physiology. She is also always positive and a great role model in my life! Mr. Dale always made me laugh and was a great supporter. He also dressed up as a carrot for me which was pretty awesome. Sra. Leon is the reason I love Spanish and want to further pursue it in college. She is the best! Derm made me smile every day! She is an awesome and passionate teacher and would do anything for her students!
What person has had the greatest influence on you and why?	My parents have had the greatest influence on me because they have taught me how to be compassionate, work hard, and love others.
