<b>Question</b>	<b>Answer</b>
Dinner for four - you and what other three people (living or deceased)?	Lana del Rey, Albert Einstein, Barack Obama
Best movie, book, TV series?	Handmaid's Tale (TV series and book)
What are you most proud of thus far in your life?	Getting into numerous colleges' engineering programs
What are your plans after high school? If going to college, what college (if you know) and what do you want to study there?	I'm attending Rutgers University—New Brunswick and studying aerospace engineering
What is your favorite school subject? Why?	Math because for some unknown reason I just enjoy doing it
Who is/was your favorite teacher (could be any teacher, all the way back to grade school even) and why?	Mr. Tomashek because he teaches the material so well that I could get A's on the tests without studying. History class has always been difficult for me to stay awake in but I really enjoyed his class and teaching style.
What person has had the greatest influence on you and why?	My dad because he's taught me a lot about life and how to make the most of it with the time you have
What is your favorite food?	Hot wings
If your life was made into a movie, what actor would you want to play you?	Emmy Rossum
What is one thing you cannot live without?	Coffee
Where do you see yourself in 10 years?	Hopefully I will have a career in the STEM field by then.
Parting words - advice for those you leave behind as you spread your wings and move to life beyond HTHS.	Don't let others' opinions sway you from doing what you want. At the end of the day, you are the only person you're responsible for pleasing.
