Best movie, book, TV series?	Best movie: Me Before You Best book: The Chains series by Laurie Halse Anderson TV series: YOU on Netflix
What are you most proud of thus far in your life?	Being recognized by the President himself for all my years of hard work for the community through community service.
What are your plans after high school? If going to college, what college (if you know) and what do you want to study there?	I will be attending my first two years at Camden County College, then hopefully transfer to Rutgers Camden to pursue a career in Law.
What is your favorite school subject? Why?	I will always enjoy history. I believe that it is a beautiful thing to understand your history before it respects itself through you.
Who is/was your favorite teacher (could be any teacher, all the way back to grade school even) and why?	Mr. Kevin Basile has made all three years of science amazing for me not only because he is an amazing person through Interact, but also the passion he has for his teaching and the content behind what he teaches is inspiring to witness.
What person has had the greatest influence on you and why?	I would have to say that my aunt, Wanda Mora, has had the greatest influence on me for the sole fact that she has acted like a second mother to me my entire life. My passion to help others originates from her as she has the most giving heart I have ever witnessed. She also made something out of what was nothing in her life and she never stopped working so hard to get to where she is now. She will always inspire me to do more and to succeed even in the lowest moments of my life.
What is your favorite food?	Any type of seafood 🦞
If your life was made into a movie, what actor would you want to play you?	Maybe when she was younger, but I think Tiffany Haddish and I have a pretty correlating personality. 🤪🤪
What is one thing you cannot live without?	my bed ☐
Where do you see yourself in 10 years?	Working as a prosecutor for sex crimes for the island of Puerto Rico, enjoying my life there and helping as many people get justice as I can.
Parting words - advice for those you leave behind as you spread your wings and move to life beyond HTHS.	Don't stress the little things. Look towards your end goal and work hard to get there, because before you can even blink, you will be living your dream as you did when you were just a kid.
