0157. BOARD OF EDUCATION WEBSITE

For the purpose of keeping the community informed, the Board authorizes the District Instructional Technology Facilitator to coordinate and oversee a school district website to be maintained on the Internet. All items to be posted on the website shall be approved by the District Instructional Technology Facilitator, or designee, prior to posting. In the event the District Instructional Technology Facilitator finds certain material that is submitted to be posted, should not be posted, the District Instructional Technology Facilitator shall seek approval of the Superintendent or designee prior to posting such material. In the event the Superintendent or designee, upon review of the material from the District Instructional Technology Facilitator, believes the material should not be posted on the website, the material shall not be posted.

The types of information that may be posted on the website include, but are not limited to:

- Board meeting public agendas,
- Board meeting approved minutes,
- Board of Education meeting dates,
- School District news,
- Information regarding school times, closings, procedures, schedules,
- School administration information,
- Curriculum updates,
- Test score information from the School Report Card,
- School email information, and
- Any other information the Superintendent determines appropriate for posting on the website.

Materials containing political or editorial points of view shall be prohibited from the website.

The Board and Superintendent shall periodically evaluate the effectiveness of the school district website and this Policy.
