April 13, 2021

It is with a heavy heart that I inform you about a recent loss to our school community. Yesterday afternoon Donetta Marconi passed away suddenly. Donetta was a technology team member who served the Haddon Township School District's students and staff with loyalty, passion, and commitment.

This loss is sure to raise many emotions, concerns, and questions for our entire school community. Our Crisis Intervention Team, made up of professionals trained to help individuals' needs, has been mobilized to assist.

We will remember Donetta as an intelligent, caring, and dedicated individual who served our schools with a consistent spirit of love and dedication, and she will be deeply missed by all who knew her. Please keep Donetta and her family in your thoughts and prayers.

-Respectfully,

Robert J. Fisicaro, Ed.D.
