

## **HADDON TOWNSHIP BOARD OF EDUCATION**

---

### Broadcast

Good Afternoon,

As you may be aware, we have been celebrating Teacher Appreciation Week and honoring an exceptional group of practitioners as part of the Haddon Township School District Family. Tomorrow, May 6th is also School Nurses' Appreciation Day. On behalf of the Board of Education, I would like to applaud these educators who have worked tirelessly during the year in what was once an unimaginable reality. Reflecting on the past year, it is easy to identify all of our struggles and challenges. However, during times like these, as we honor our educators, we do so with gratitude in our hearts, knowing that it is an honor to serve children in education among such dedicated and skilled professionals. Please join me in applauding our staff.

Tomorrow at 6 pm, I will also be presenting the district budget for the 2021/2022 school year as part of a public hearing. The zoom link and information are below, and I hope that you can tune in. If you cannot attend the meeting, a recording will be available on our website, and I will also distribute an email summarizing the presentation Friday afternoon. Thank you for your partnership in education, and have a great day.
