#### Staff Retirements:

- Pamela Topham – High School Spanish Teacher
  - Effective February 1, 2019
- Carrie Norton – Bus Driver
  - Effective January 1, 2019

#### School Board Election Update

We have not yet received official results from the election on November 6th. Here is the most recent update we've received from the Camden County Board of Elections:

*In the days following an election, our office concentrates on counting the remaining VBM ballots and sorting provisional ballots. The complete machine and vote-by-mail results are now posted online, but remain unofficial until the results are certified. The current certification date is November 16<sup>th</sup>, but there is always a possibility of needing an extension. The write-ins are also posted on that site online once the full report is completed. The County Clerk will post the machine write ins, followed by the VBM write-ins from the Board of Elections.*

#### "Community"

Thanks to 1<sup>st</sup> Colonial Community Bank for the generous donation of a Filipino Quad boat to the Haddon Township Crew Club. I was proud to

attend the Boat Naming Ceremony on Sunday, November 4<sup>th</sup> where the boat was quite appropriately named “Community.”

### HTEF Fall Grants

The HT Education Foundation is funding four teacher grants as part of their fall grant cycle that will supplement projects at the elementary, middle school, and high school levels. Thanks to the HTEF for supporting our teachers!

### Happy Thanksgiving

The weather has finally caught up with the season and Thanksgiving is just a week away. At this time of year, I am always reminded of the many reasons I am thankful to serve a school community so dedicated to supporting the needs and growth of each individual student. I'd like to wish everyone a Happy Thanksgiving!
